For the future success of businesses in Brentford

The Brentford Chamber of Commerce is committed to enhancing and supporting businesses in the Brentford area, whether large corporate organisations, established firms or small start ups. As such the Brentford Chamber of Commerce has modern professionally designed website dedicated to its members. This website will reach all levels of the business community and beyond giving information, latest news, contact information and links to and

from Chamber members' websites, and links to community websites that operate in the Brentford area. The chamber will actively promote its website which will encourage business to business networking and greater awareness of local businesses to the general public. Many Chamber members rely on local people for its business. The chamber website will reach beyond the business community and will attract business form residents as

well as business-to business links. The chamber website gives easy access to all the contact details required.

This is an ideal opportunity to promote your business, services and products.

There are three options all designed to give you a choice to suit your needs.

Choose the option you require and complete the form below.

General membership

As a member of the Brentford Chamber of Commerce your business automatically has a presence on the website - your company name, address, telephone number, email address, web address.

Website option A - £40

Entry details as above PLUS a search facility within the Business Directory.

Website option A+ - £20

All the above PLUS live email and website address giving the user direct contact to your business.

Website option B - £40

All the above PLUS a whole page dedicated to your business - a display page.

Simply complete the form below and on the reverse and send it with your remittance to:
The Secretary, Brentford Chamber of Commerce, 191 The High Street, Brentford TW8 8LB.

The features & benefits of the Brentford Chamber website

- The site reaches the Chamber's business network and therefore making it possible to start dialogue with members in Brentford and surrounding areas.
- It provides all the information about your business necessary for a potential customer to make a decision about your services.
- Allows smaller business to have a cost effective internet presence.
- Establishes relationships with potential business partners.
- Offers your services and products dynamically, as opposed to traditional methods like Yellow pages or other similar directories.
- Information can be continuously available on-line at minimal cost - and with no further effort required by you. Compare this with a brochure or catalogue, and costs of printing and mailing.
- Your web page can be your showroom and your sales force!
- The Brentford Chamber website will allow links to your own site.
- Easy access to your business email address and contact details

We need more information about your business so we can accurately list your services and products. The website will contain a search facility that allows your business to be identified by three key words. The words you choose should be those customers most often use to describe your business. Please complete the details below as accurately as you can.

Three key words that people would use to describe your business are:

First word _____

Second word _____

Third word _____

I enclose a cheque for £ :

Signed _____ Date _____

Please tick which option you would like to subscribe (see over for details):
